*For the Museum Van Gogh: Go directly to the main entrance of the museum, stand in the queue (most often), then show your card to the ticket controller. Say that it is of the International Artists Association. The ticket controller will communicate through their system with their office and then will let you go inside without a ticket. The more often they have someone with an IAA card at their door the faster they will learn what the card is and they won't have to ask any more. The two museums are next to each other. So please go ahead!*

*In Sweden a lot of Art Galleries and Museums have free entry.*

*The IAA card is accepted in several places where there is a fee.*

*For instance Moderna museet - the museum of modern art in Stockholm is generally free but ask for entry fee for special exhibition.*

*They accept the IAA card and give you free entrance.*

*We recommend that you show the card at every institution for art you visit during your stay.*
